Guideline C.4: Adult children

Adult children can remain on their parents' membership until their 26th birthday as long as they meet the following qualifications: (1) they must be Christians living by biblical principles; (2) they must be single; and (3) they must be legal dependents. Legal dependence is defined as children who are reported as dependents on their parents' income tax forms.

Children who are no longer legal dependents can transition seamlessly to their own CHM membership. Immediate transition will allow any issues relating to pre-existing conditions to date back to the original start date when they participated under their parents' membership.

Notify the CHM Group Services department (1-800-791-6225, ext. 5007) if your adult child or children choose not to be CHM members. However, remaining a member is to their advantage because with CHM their membership will never be canceled due to an expensive illness, nor will their monthly financial gift be raised because they become sick. The Body of Christ will help bear their burdens.
